12 October 2018

The Association of Psychological Assistance to Muslims, with the support of the Foundation for the Support of Islamic Culture, Science and Education, holds the Second All-Russian Scientific and Practical Conference with international participation “Islam: Psychological Stability is the Basis of Personal and Social Well-Being”. The theme of the conference: "Islam: A Conscious Choice or Following the Tradition?"

The First All-Russian Scientific and Practical Conference "Islam: Psychological Stability is the Basis of Personal and Social Well-being" was held in Moscow on September 29, 2017. The conference was attended by 90 specialists from 25 regions of the Russian Federation: psychologists, theologians, religious scholars, imams, teachers, doctors, journalists, ethnographers, public figures, and FPS employees.

The conference addressed a wide range of issues, practitioners held workshops that demonstrated a number of specific technologies for working with Muslims to provide them with psychological assistance. The conference participants unanimously voted for the creation of an all-Russian organization dedicated to the provision of systemic psychological assistance to Muslims.

The conference will receive specialists (psychologists, theologians, religious scholars, imams, scientists and educators, doctors, journalists, public figures, FPS employees) from Indonesia, the United States, Uzbekistan and various Russian regions: Grozny, Krasnoyarsk, Kazan, Moscow, Nalchik, Nazran, Orenburg, Pyatigorsk, Ryazan, Saransk, Saratov, St. Petersburg, Simferopol, Ufa.
